

**Final External Auditor Report and Certificate 2017/18 in respect of
LI0207 Kirton Parish Council**

Respective responsibilities of the body and the auditor

This authority is responsible for ensuring that its financial management is adequate and effective and that it has a sound system of internal control. The authority prepares an Annual Governance and Accountability Return in accordance with Proper Practices which:

- summarises the accounting records for the year ended 31 March 2018; and
- confirms and provides assurance on those matters that are relevant to our duties and responsibilities as external auditors.

Our responsibility is to review Sections 1 and 2 of the Annual Governance and Accountability Return in accordance with guidance issued by the National Audit Office (NAO) on behalf of the Comptroller and Auditor General (see note below). Our work does not constitute an audit carried out in accordance with International Standards on Auditing (UK & Ireland) and does not provide the same level of assurance that such an audit would do.

External auditor report 2017/18

On 28 September 2018 we issued a report detailing the results of our limited assurance review of Sections 1 and 2 of this authority's Annual Governance & Accountability Return for the year ended 31 March 2018. We explained that we were unable to certify completion of the review at that time. We are now in a position to certify completion of the review. The external auditor report given in Section 3 of the Annual Governance & Accountability Return requires amendments as follows:

Except for the matters reported below, on the basis of our review of Sections 1 and 2 of the Annual Governance and Accountability Return (AGAR), in our opinion the information in Sections 1 and 2 of the AGAR is in accordance with Proper Practices and no other matters have come to our attention giving cause for concern that relevant legislation and regulatory requirements have not been met.

The AGAR was not accurately completed before submission for review. Please ensure that amendments are corrected in the prior year comparatives when completing next year's AGAR:

- Section 2, Box 2, the annual precept, does not agree to the figure published by the precepting authority. The figures in Boxes 2 and 3 should read £31,998 and £20,164 respectively. All grants, including Council Tax Support Grant, should be shown in Box 3, as per the guidance notes on the AGAR. In addition, the Council has not restated the prior year figures in Boxes 2 and 3, as reported in the prior year External Auditor Report, these figures should read £74,993 and £31,998 respectively.

Other matters not affecting our opinion which we draw to the attention of the authority:

The annual internal audit report focuses on ten internal control objectives covering an authority's key financial and accounting systems and concludes whether, in all significant respects, the internal control objectives were being achieved throughout the financial year to a standard adequate to meet the needs of the authority. We note that the internal auditor has not provided a conclusion on internal control objectives F and H, in respect of petty cash and fixed assets, and has not provided any explanation for these omissions. The annual internal audit report will inform the authority's response to assertions 2 and 6 in the annual governance statement. As a result, the authority must ensure that assurance that has not been provided via these control objectives has been sought elsewhere. We can see from the bank reconciliation that the Council does not operate a petty cash system; however, it has substantial assets in Box 9, so a review of the asset register should have been covered.

External auditor certificate 2017/18

We certify that we have completed our review of Sections 1 and 2 of the Annual Governance & Accountability Return, and discharged our responsibilities under the Local Audit and Accountability Act 2014, for the year ended 31 March 2018.
